Remember- Don't Forget!

Hydrocephalus has not stopped Andrew from being a busy boy- between school, hockey and time with friends, he stays pretty active! Unfortunately, his memory is not perfect, and sometimes he needs to write things down so he remembers to do them each day! Help him make a list of all the important things he needs to do today- Remember, he will almost always have to go to school and hockey practice!

To Do List!

BRAINWAVES HYDROCEPHALUS CANADA

Teaching Awareness through Puppetry

Planting the seeds of acceptance
