

# Spina Bifida & Hydrocephalus Awareness Month

Name:

Date:

June is Spina Bifida & Hydrocephalus Month in Canada!

During the month we celebrate and show our support of people living with spina bifida & hydrocephalus.

It is a great opportunity to get involved, through learning, as well as teaching others about spina bifida & hydrocephalus.

**Activity Directions:** Show your support by colouring the spina bifida & hydrocephalus ribbon. Be creative! Then show your artwork to someone else and tell them what the ribbon is for.
